

Share Your Success with DSHA!

Good afternoon, Ambassadors!

Just a reminder that our PR team at DSHA is always looking for success stories to share on social media and in our annual report. We've recently started a video project to highlight some of the people who have been able to use DSHA's homeownership products to make their dream of owning a home a reality. Our first [video](#) was with Stephanie Miller and Joey Isom, of Middletown, who were able to purchase their first home using DSHA's Homes for Grads program.

If you have a success story you'd like to share, please send the buyer's contact information and a brief description of how they used DSHA's homeownership products to our Public Information Officer Arshon Howard at socialmedia@destatehousing.com. We'd love to hear from you!

Thanks again for all of your work to promote DSHA's homeownership products!

Sincerely,
DSHA Housing Finance and Public Relations Staff
