

DSHA Update

Changes to our Wilmington office team members

Please join me in congratulating Dawn Momot for her promotion to Housing Mortgage Administrator. Dawn has been a valued asset to our Wilmington team and we look forward to many years of growth with Dawn's help in moving our program forward.

We would also like to announce the addition to our Wilmington team, Ujesh Patel as our Housing Financial Analyst. Ujesh comes to us with a lending and Real Estate background and has been a great addition to our team.

Thank you, Brian K. Rossello, Director of Housing Finance. brian@destatehousing.com
