

Share Your Success with DSHA!

Good afternoon, Ambassadors!

As you know, our PR team at DSHA is always looking for success stories to share on social media and in our annual report. One of those success stories was recently sent to us by Ambassador Tracy Chongling. After renting for many years, Robin and James Neil were finally able to purchase their first home through DSHA's Preferred Plus program. They worked hard to put themselves into a position to start the home-buying process to help ensure longevity in their new home.

It's stories like the Neil family's that we love to tell! If you have a success story you'd like to share, please send the buyer's contact information and a brief description of how they used DSHA's homeownership products to our Public Information Officer Arshon Howard at socialmedia@destatehousing.com. We'd love to hear from you!

Thanks again for all of your work to promote DSHA's homeownership products!

Sincerely,
DSHA Housing Finance and Public Relations Staff
