

A Message From DSHA

Good Afternoon,

Effective February 4, 2021, DSHA will permit borrowers classified under the DACA program in FHA and VA programs only. Some requirements for these borrowers include:

- the property will be the borrower's principal residence;
- the borrower has a valid Social Security Number (SSN), except for those employed by the World Bank, a foreign embassy, or equivalent employer identified by HUD;
- the borrower is eligible to work in the U.S., as evidenced by the Employment Authorization Document issued by the USCIS; and
- the borrower satisfies the same requirements, terms, and conditions as those for U.S. citizens.
