

DEHAP Email Update

Good Afternoon,

We are writing to update you on an error we experienced with some communications with our DEHAP@destatehousing.com email inbox. If you did not receive a response to an email sent to the DEHAP inbox, we have established two new email addresses to accept communication from landlords and tenants going forward. If your matter is still in need of attention, please use the following email addresses:

For communication from tenants about their application, please send an email to dehapternant@destatehousing.com.

For communication from landlords about landlord-related issues, please send an email to dehaplandlords@destatehousing.com.

Please allow up to 3 business days for a response, and as always, for more immediate updates, please login to the portal at <https://dehap.applyforhope.com/login> and select the communications tab to see up-to-date information from the application reviewer. We appreciate your patience and understanding.

Thank You,

DEHAP Program Staff
